

Privacy Policy

SHANGHAI POVOS ELECTRIC WORKS Co., Ltd. and its affiliated companies (hereinafter referred to as "POVOS", "us" and "our") are fully aware of the importance of your privacy information and will respect your privacy. Please carefully read this Privacy Policy (hereinafter referred to as "this Policy") before submitting personal data to POVOS. This policy applies to the POVOS website, products, devices, or applications (collectively referred to as our "Services") that display or link to this Privacy Policy, including but not limited to the POVOS official website (<http://www.povos.com.cn>), POVOS official account, POVOS Smart Life App, POVOS Internet of Things devices and other services.

All text, images, user interfaces, visual interfaces, photos, trademarks, logos, sounds, music, works of art, and computer code included in the services provided by POVOS (collectively referred to as "Content"), including but not limited to the design, structure, selection, combination, expression, appearance, style, and arrangement of such Content, are owned, controlled or authorized by POVOS, and are protected by trade dress, copyright, patent and trademark laws, as well as various other intellectual property and anti unfair competition laws.

This policy explains how POVOS will process your data (whether personal or not), but may not cover all possible data processing scenarios. Information related to the collection of specific data on products or services may be

explained to you by POVOS in its supplementary policies or in the notices provided during data collection, stating the purpose, scope, and usage of the corresponding information, and providing you with the option to choose and agree to it, and collecting and using it with your explicit consent.

POVOS has the right to decide at any time to change, modify, add or delete certain parts of this privacy policy. You can regularly check this privacy policy to see if there have been any changes. During the process of reading this policy, if you do not agree with this policy or any of its contents, it may not be possible for POVOS to provide you with the relevant services normally or achieve the desired service effect. Therefore, we suggest that you immediately stop using the relevant services provided by POVOS. If you continue to use the relevant services provided by POVOS, it means that you acknowledge and agree to this policy.

Our purpose in formulating this policy is to help you understand the following content:

- 1、 How does POVOS collect and use your personal data
- 2、 How does POVOS use cookies and similar technologies

- 3、 How does POVOS disclose your personal data
- 4、 How to access or modify your personal data
- 5、 Personal information protection for minors
- 6、 How does POVOS retain and protect your personal data
- 7、 Third party providers and their services
- 8、 How to contact us
- 9、 How to update this policy
- 1、 How does POVOS collect and use your personal data

Personal data refers to information that can determine an individual's identity when used alone or in combination with other information. This type of data will be directly submitted to us by you when you use our website, products or services, and interact with us, such as:

1. The information you fill in and submit when registering as a member and

using related services provided by POVOS or other platforms, such as your name, gender, date of birth, and identity
